CERTIFICATE OF COVERAGE

Unum Life Insurance Company of America (referred to as Unum) welcomes you as a client.

This is your certificate of coverage as long as you are eligible for coverage and you become insured. You will want to read it carefully and keep it in a safe place.

Unum has written your certificate of coverage in plain English. However, a few terms and provisions are written as required by insurance law. If you have any questions about any of the terms and provisions, please consult Unum's claims paying office. Unum will assist you in any way to help you understand your benefits.

If the terms and provisions of the certificate of coverage (issued to you) are different from the policy (issued to the policyholder), the policy will govern. Your coverage may be cancelled or changed in whole or in part under the terms and provisions of the policy.

The policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments.

For purposes of effective dates and ending dates under the group policy, all days begin at 12:01 a.m. and end at 12:00 midnight at the Policyholder's address.

CLAIM INFORMATION

SHORT TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible so that a claim decision can be made in a timely manner. Telephonic notice of claim as authorized by us should be sent within 30 days after the date your disability begins. In addition, you must send Unum proof of your claim no later than one year after the date your disability begins unless your failure to do so is due to your lack of legal capacity. In no event can proof of your claim be submitted after the expiration of the time limit for commencing a legal proceeding as stated in this policy, even if your failure to provide proof of claim is due to a lack of legal capacity or if state law provides an exception to the one year time period.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE PROOF OF CLAIM?

You may file notice of claim by telephonic means. The telephone number is available through your Employer. You will be required to sign an authorization form in order for Unum to obtain medical information from your attending physician. Should Unum be unable to obtain your medical information, we will send a letter and appropriate forms to you for completion to be returned to us by the date determined in the letter.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Proof of your claim must show:

- the date your disability began;
- the existence and cause of your sickness or injury;
- that your sickness or injury causes you to have limitations on your functioning and restrictions on your activities preventing you from performing the material and substantial duties of your own job;
- that you are under the **regular care** of a **physician**; and
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. We may also require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income. We may request that you send periodic proof of your claim. This proof must be received within 45 days of a request by us. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to meet with and be interviewed by an authorized Unum Representative. Unum

will deny your claim, or stop sending you payments, if you fail to comply with our requests.

The initial payment for a payable claim will be made within 60 days from the date proof is received.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim;
- disability earnings; or
- deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made which may include reducing or withholding future payments including the minimum weekly payment.

Unum will not recover more money than the amount we paid you.

Any unpaid premium due for your coverage under this policy may be recovered by us by offsetting against amounts otherwise payable to you under this policy, or by other legally permitted means.

GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your **waiting period**.

WHAT COVERAGE OPTIONS DOES THE PLAN PROVIDE?

If the plan provides additional coverage options for you to select from, you may apply for these other options. Refer to the **BENEFITS AT A GLANCE** section and the **BENEFIT INFORMATION** section for the additional coverage options, if any.

WHEN DOES YOUR COVERAGE BEGIN?

Your coverage will begin at 12:01 a.m. on the first of the month following the later of:

- the date you are eligible for coverage; or
- the date you apply for coverage.

WHEN CAN YOU APPLY FOR COVERAGE IF YOU DID NOT APPLY OR DECLINED WHEN YOU WERE FIRST ELIGIBLE FOR COVERAGE OR YOU VOLUNTARILY CANCELLED YOUR COVERAGE?

You can apply for coverage during an **annual enrollment period**.

Unum and your Employer determine when the annual enrollment period begins and ends. Coverage applied for during an annual enrollment period will begin at 12:01 a.m. on the first day of the next plan year.

You can also apply for coverage at anytime during the plan year outside of an annual enrollment period or within 31 days of a **change in status**. **Evidence of insurability** is required.

Coverage applied for due to a change in status or anytime during the plan year outside of an annual enrollment period will begin at 12:01 a.m. on the first of the month following the date Unum approves your application.

HOW CAN YOU CHANGE YOUR COVERAGE?

You can change your coverage options, if any, at the time specified in the **BENEFITS AT A GLANCE** section.

You may choose to:

- increase your coverage up to the maximum monthly benefit available under the plan;
- decrease your coverage provided it is not less than an amount available on the plan; or
- choose not to participate in the plan.

WHEN DO CHANGES IN YOUR COVERAGE TAKE EFFECT?

A change in coverage that is made during an annual enrollment period will begin at 12:01 a.m. on the first day of the next plan year.

A change in coverage that is made at anytime during the plan year outside of an annual enrollment period will begin at 12:01 a.m. on the first of the month following the date you apply.

Once your coverage begins, any decrease in coverage you make at other than an annual enrollment period will take effect on the first of the month following the date the change is reported to us by your Employer or, if later the first of the month following the date specified by your Employer.

Any decrease in coverage will not affect a payable claim that occurs prior to the decrease.

If you are not in active employment due to injury or sickness, or if you are on a leave of absence any increased or additional coverage will begin on the date you return to active employment.

A change in coverage due to a change in status will begin at 12:01 a.m. on the first of the month following the later of:

- the date of the change in status, if you apply on or before that date; or
- the date you apply, if you apply within 31 days after the date of the change in status.

Changes in coverage must be consistent with the change in status.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on an approved **leave of absence**, other than a family and medical leave, and if premium is paid, you will be covered for up to 12 months following the date your leave of absence begins.

WHAT HAPPENS TO YOUR COVERAGE UNDER THIS POLICY WHILE YOU ARE ON A FAMILY AND MEDICAL LEAVE OF ABSENCE?

We will continue your coverage in accordance with your Employer's Human Resource policy on family and medical leaves of absence if premium payments continue and your Employer has approved your leave in writing.

Your coverage will be continued until the end of the later of:

1. the leave period required by the federal Family and Medical Leave Act of 1993 and any amendments; or
2. the leave period required by applicable state law.

If your Employer's Human Resource policy doesn't provide for continuation of your coverage during a family and medical leave of absence, your coverage will be reinstated when you return to active employment.

We will not:

- apply a new waiting period;
- apply a new pre-existing condition exclusion; or
- require evidence of insurability.

WHEN WILL CHANGES MADE BY YOUR EMPLOYER TAKE EFFECT?

Once your coverage begins, any change requested by your Employer will take effect on the date the change occurs if you are in active employment.

If you are not in active employment due to injury or sickness, or if you are on a covered leave of absence, any change requested by your Employer will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the effective date of the change.

WHEN DOES YOUR COVERAGE END?

If you choose to cancel your coverage under the policy or a plan, your coverage ends on the first of the month following the date you provide notification to your Employer.

Otherwise, your coverage under the policy or a plan ends on the earliest of the following:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment.

However, as long as premium is paid as required, coverage will continue:

- while benefits are being paid;
- while you are fulfilling the requirements of your elimination period; or
- in accordance with the leave of absence provision of this policy or plan.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the later of when original proof of your claim was first required to have been given; or your claim was denied; or your benefits were terminated, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you make in a signed application for coverage or evidence of insurability form, or that your Employer makes in the application process, a representation and not a warranty. If any of the material statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

As a basis for doing this, we will use only statements made by the Employer in the application process or statements made by you in a signed application or evidence of insurability form. A copy of the statements will be provided to you or your beneficiary. These statements cannot be used to reduce or deny coverage if your coverage has been in force for at least two years.

However, if the Employer gives us information about you that is incorrect, we will:

- use the facts to determine if you have coverage under the plan according to the policy provisions and in what amounts; and
- make a fair adjustment of the premium.

HOW MAY UNUM COMMUNICATE WITH YOU OR YOUR EMPLOYER?

Unum may provide notices, information and other communications to you or your Employer in written, electronic or telephonic form.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

SHORT TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that due to your **sickness** or **injury**:

- you are unable to perform the **material and substantial duties** of your **own job**;
and
- you are not working in any occupation.

If you have a Cesarean section, you will be considered disabled for a minimum period of 8 weeks beginning on the date of your Cesarean section, unless you return to work prior to the end of the 8 weeks.

If you have a vaginal birth, you will be considered disabled for a minimum period of 6 weeks beginning on the date of your vaginal delivery, unless you return to work prior to the end of the 6 weeks.

Unum will begin paying maternity claims once the claimant begins their third trimester (approximately 28 weeks).

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period**.

If your disability is the result of an injury that occurs while you are covered under the plan, benefits begin immediately.

If your disability is the result of a sickness, your elimination period is 14 days.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment weekly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Your **gross disability payment** is the **weekly benefit** in effect just prior to your date of disability.
2. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 2 is your **weekly payment**.

If, at any time after the elimination period, you are disabled for less than 1 week, we will send you 1/7th of your weekly payment for each day of disability.

WHAT ARE YOUR WEEKLY EARNINGS?

For enrollment purposes only, "Weekly Earnings" means your weekly income, as defined below, in effect on the date you are enrolling for coverage for the first time or at any subsequent enrollment. During enrollment, your weekly earnings are only used to determine the highest weekly benefit for which you are eligible.

"Weekly Earnings" means your average weekly income from your Employer just prior to the date of disability and figured:

- a. from Box 5 Medicare wages and tips and Box 12B on your W-2 form for the prior calendar year; or
- b. from gross earnings shown on the last payroll for the prior calendar year; or
- c. on \$40,000 annual salary divided by 52, if you did not receive a prior year W-2 from the Employer.

It does not include income received from sources other than your Employer.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive as disability income or disability retirement payments under any:
 - group plan sponsored by your Employer.
 - other group insurance plan.
 - **governmental retirement system.**
2. The amount that you receive:
 - under the mandatory portion of any "no fault" motor vehicle **plan.**
 - from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise.
3. The amount that you receive as retirement payments under any governmental retirement system. Retirement payments do not include payments made at the later of age 62 or normal retirement age under your Employer's retirement plan which are attributable to contributions you made on a post tax basis to the system.

Regardless of how retirement payments are distributed, Unum will consider payments attributable to your post tax contributions to be distributed throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future

amendments which affect the definition.

4. The amount that you:

- receive as disability payments under your Employer's **retirement plan**.
- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your **Employer's contribution** to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

5. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:

- the United States Social Security Act.
- the Canada Pension **Plan**.
- the Quebec Pension Plan.
- any similar plan or act.

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable for the same period of disability for which we are paying benefits.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans

- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- **salary continuation** or **accumulated sick leave** plans, except disability income payments you receive under a group plan sponsored by your Employer

WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)

The minimum weekly payment is: \$25.

Unum may apply this amount toward an outstanding overpayment.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1 and 5 in the deductible sources of income section, we will estimate your entitlement to these benefits and your Short Term Disability payment will be reduced by these estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Short Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1 and 5 in the deductible sources of income section, and if denied, appeal to all administrative levels Unum feels are necessary;
- provide documentation of your application and/or appeal; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a weekly basis over the time period for which the sum was given. If no time period is stated, the sum will be pro-rated on a weekly basis to the end of the maximum period of payment.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each week up to the **maximum period of payment**. Your maximum period of payment is 26 weeks during a continuous period of disability.

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date you die.

WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- **occupational sickness or injury**, however, Unum will cover disabilities due to occupational sicknesses or injuries for:
 - partners or sole proprietors who cannot be covered by a workers' compensation law; and
 - all other employees who have submitted a timely claim under the applicable workers' compensation law or act, or occupational benefit plan governed by such law or act, and have been denied a benefit, award, settlement or redemption under the applicable law or act. You must also meet all other eligibility requirements and definitions of disability under the Plan. If workers' compensation is later deemed compensable, then Short Term disability payments will cease and you must reimburse us in full. We will determine the method by which the repayment is to be made. Unum will not recover more money than the amount we paid you.
- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- attempt to commit or commission of a felony.
- pre-existing condition.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

WHAT IS A PRE-EXISTING CONDITION?

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 6 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

In addition, this plan will not cover an increase in coverage made within 31 days of a change in status if you have a pre-existing condition. An increase in coverage includes, if applicable to the plan, applying for an increase in maximum period of payment and/or selecting a shorter elimination period. You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 6 months just prior to the date your coverage increased; and
- the disability begins in the first 12 months after your coverage increased.

However, if at a change in status you increase your weekly benefit to the maximum amount for which you are then eligible, and if your weekly benefit in effect just prior to this increase was the maximum amount for which you were eligible on the date you last enrolled under the Unum plan, then the above pre-existing condition provision will not apply to the increase in your weekly benefit.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?

1. If your current disability is related to or due to the same cause(s) as your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for 90 consecutive days or less.

If you return to work on the 91st day, your current disability will be treated as a new claim. The new claim will be subject to all of the provisions of this plan and you will be required to satisfy a new elimination period.

2. If your current disability is unrelated to your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for less than 1 full day.

Your disability, as outlined above, will be subject to the same terms of the plan as your prior claim.

If you do not satisfy Item 1 or 2 above, your disability will be treated as a new claim and will be subject to all of the policy provisions.

If you are covered under another group short term disability plan on the date of your recurrent disability and are entitled to payments under that plan, you will not be eligible for further payments from Unum.

SHORT TERM DISABILITY

OTHER BENEFIT FEATURES

WHAT BENEFITS WILL BE PROVIDED TO YOU OR YOUR FAMILY IF YOU DIE OR ARE TERMINALLY ILL? (Survivor Benefit)

When Unum receives proof that you have died, we will pay your **eligible survivor** a lump sum equal to the lesser of:

1. \$5,000;
2. 3 weeks of your gross disability payment; or
3. the maximum Survivor Benefit allowed by state law.

The Survivor Benefit will be paid if, on the date of your death:

- you were disabled; and
- you were receiving or were entitled to receive payments under the plan for at least 15 consecutive days during this period of disability.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

You may receive your survivor benefit prior to your death if you have been diagnosed as terminally ill.

We will pay you a lump sum amount equal to 3 weeks of your gross disability payment if:

- you have been diagnosed with a terminal illness or condition;
- your life expectancy has been reduced to less than 12 months; and
- you are receiving weekly payments.

Your right to exercise this option and receive payment is subject to the following:

- you must make this election in writing to Unum; and
- your physician must certify in writing that you have a terminal illness or condition and your life expectancy has been reduced to less than 12 months.

This benefit is available to you on a voluntary basis and will only be payable once.

If you elect to receive this benefit prior to your death, no 3 week survivor benefit will be payable upon your death.

WHAT IF YOU HAVE A DISABILITY DUE TO A PRE-EXISTING CONDITION AFTER YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM OR AFTER YOU BECOME INSURED UNDER THE UNUM PLAN DUE TO A MERGER, ACQUISITION OR AFFILIATION? (Continuity of Coverage)

Unum may send a payment if your disability results from a pre-existing condition if, you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior policy at the time of change.

In order to receive a payment you must satisfy the pre-existing condition provision under:

1. the Unum plan; or
2. the prior carrier's plan, if benefits would have been paid had that policy remained in force.

If you do not satisfy Item 1 or 2 above, Unum will not make any payments.

If you satisfy Item 1, we will determine your payments according to the Unum plan provisions.

If you only satisfy Item 2, we will administer your claim according to the Unum plan provisions. However, your payment will be the lesser of:

- a. the weekly benefit that would have been payable under the terms of the prior plan if it had remained in force; or
- b. the weekly payment under the Unum plan.

Your elimination period will be the longer of:

- a. the elimination period under the prior plan if it had remained in force; or
- b. the elimination period under the Unum plan.

Your benefits will end on the earlier of the following dates:

1. the end of the maximum benefit period under the plan; or
2. the date benefits would have ended under the prior plan if it had remained in force.

HOW CAN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum's rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.

The rehabilitation program may include, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;
- adaptive equipment or job accommodations to allow you to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- education and retraining expenses for a new occupation.

WHAT ADDITIONAL BENEFITS WILL UNUM PAY WHILE YOU PARTICIPATE IN A REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?

We will pay an additional disability benefit of 10% of your gross disability payment to a maximum benefit of \$250 per week.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income.

In addition, we will make weekly payments to you for 3 weeks following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

This benefit payment may be paid in a lump sum.

WHEN WILL REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFITS END?

Benefits for the Rehabilitation and Return to Work Assistance program will end on the earliest of the following dates:

- the date Unum determines that you are no longer eligible to participate in Unum's Rehabilitation and Return to Work Assistance program; or
- any other date on which weekly payments would stop in accordance with this plan.

Additional Claim and Appeal Information
Relative to policy issued by Unum Life Insurance Company of America ("Unum")

APPLICABILITY OF ERISA

If the policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and

- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);

- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

**Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or policy
and effective for claims filed on or after April 1, 2018.**

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or policy conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).
